

Membership Contributions

Titan Training Ground membership contributions are customized on a case by case basis. We work with you to create a plan that works for all. Which is fair and affordable for yourself. While also being fair to our community. By Supporting the club as a whole (this includes members, students, supporters, coaches, personnel and you) with our goal of providing a space for self development and human growth.

Your membership contributions support the club by assisting with the following costs: Rent, CCC Rates, Utilities, Taxes, Wifi, Heating, Equipment, Maintenance, Security, Insurance, Cleaning, Miscellaneous Operating Cost, Legal Requirements, along with Upskilling Our Personnel, and Upgrading our facilities. These are just some of the costs involved with providing for our community. We are most grateful for all contributions. They enable us to provide a space for people like yourself to thrive in.

Membership contributions are collected by Debit Success and can be adjusted in frequency to coincide with your income stream. Memberships are set up in house and only take a few minutes to sort out. You'll need to bring ID, bank or credit card details, proof of address, and emergency contact details.

If you're under the age of 18 years. Then you'll need to bring a guarantor to co-sign your membership agreement. You will also need to provide permission in writing from your legal guardian. Which states that you are allowed to train with us. (this must be signed by them, dated, and contain their contact details. It must also show the full legal names of both yourself and your legal guardian). Please note for legal reasons. You are required to wait for the day after your 18th birthday.
